FROM THE MD'S DESK

Designing the Future of Indian Sports.

We don't just build sports infrastructure.

We build the places where India's next generation trains, competes, grows, and wins.

From Olympic-standard athletic tracks to FIFA-certified football fields and FIH-certified hockey turfs, every project reflects our commitment to international quality, engineering excellence, and long-term performance.

Shiv Naresh has been delivering certified sports infrastructure across India for decades.

LANDMARK PROJECT

Jawaharlal Nehru Stadium
New Delhi

Class 1 and Category 1
Certified By **World Athletics**

Delivering World-Class Performance at India's Iconic Stadium.

Jawaharlal Nehru Stadium, New Delhi

Shiv Naresh Infra proudly delivered the **Olympics std. MONDO** athletic track at the prestigious Jawaharlal Nehru Stadium, New Delhi—one of India's premier venues for international sporting events along with another such warm-up track.

The state-of-the-art track was developed to meet global performance standards, providing athletes with exceptional speed, safety, durability, and consistency.

It faced its first major test during the
World Para Athletics Championships
held from September 26 to October 5, 2025.

FROM THE EDITOR'S DESK

July Edition

Building Stories Behind Every Stadium

In this edition, we take you behind the scenes of Shiv Naresh Sports Infrastructure Division, showcasing the expertise, innovation, and dedication that transform ambitious ideas into world-class sporting venues across India.

From international-standard athletic tracks and FIH-certified hockey turfs to football grounds and multi-sport facilities, each project reflects our commitment to quality, precision, and long-term performance. We are proud to share landmark projects, nationwide achievements, and the engineering excellence that continues to strengthen India's sporting ecosystem.

As you explore these pages, we hope you gain a deeper understanding of the passion, planning, and teamwork behind every successful delivery. Thank you for being a part of our journey as we continue building infrastructure that empowers athletes and elevates Indian sports.

Happy Reading!
